01 · EXECUTIVE SUMMARY

The September 7 announcement achieved full national wire saturation, generating 459 verified live placements across finance, news, broadcast, health and lifestyle media. Anchor coverage landed on Yahoo Finance, Business Insider (Markets Insider) and the Associated Press, three of the highest-authority news domains in the U.S., with the story additionally indexed on Google, Yahoo and Bing Search.

Syndication extended through five distribution networks: the FinancialContent newspaper network (81 placements including Star Tribune, Pittsburgh Post-Gazette, The Buffalo News, LA Daily News and International Business Times), the MarketMinute broadcast-affiliate network (33 local TV station sites carrying FOX, NBC and CBS affiliates), the NEWSnet local market network (36 metro markets from Los Angeles to Nashville), a local television and daily press network (14 sites including WBOC, WPGX Fox 28 and WTNZ Fox 43), and a commodity and trade portal network (107 sites). The result is a durable footprint of permanent, indexable brand mentions and backlinks supporting both audience awareness and long-term search authority.

What this coverage delivers

Third-party credibility for a new category

Placement on Yahoo Finance, Business Insider and AP News gives the health and fitness launch independent trust markers that can be used on the website, in book and product pages, on speaker one-sheets, and in partner conversations.

Search authority & permanent backlinks

459 indexable articles, the majority on established news domains, create a durable backlink profile that lifts branded search results for the name and for the new category terms for months after publication.

Booking, sponsor & partner leverage

National coverage plus local TV and metro market pickup arms the team with proof of reach when approaching sponsors, retail and supplement partners, event bookers, and media producers.

Owned-search protection

The story is indexed on Google, Yahoo and Bing, so audiences, producers and prospective partners researching the name find authoritative earned coverage at the moment of consideration.

Audience-reach figures are intentionally omitted from headline metrics; syndicated-network impression estimates vary widely by vendor. We report only verified, clickable placements. Estimated combined potential audience of the Tier 1 outlets alone exceeds 150M monthly visitors (SimilarWeb, public data).
